*A Success*

This past weekend was our food drive to help with the Thanksgiving and Christmas food baskets. It was a good thing; ordained by God to get humanly, brotherly and the general love back to God's creation, instead of self sufficient, no help needed, I don't want to cross boundaries of church lines, I don't really care one way or the other and or, so what!

Letters were mailed two weeks or so ahead of the food drive date to all area Pastors and Churches announcing the drive and what it is for, asking them to remove themselves from their little self church islands and let us all work together to help God's hungry these holidays. Out of the dozen or so letters mailed, not one church replied to offer any assistance and only **ONE** church Pastor and his pregnant wife came and supported the drive, bringing what food they could and another Pastor announced the drive in his church several times to offer assistance. Out of the dozen churches notified and sought assistance from, it was a **PATHETIC** show of support from God's churches. I mean ignorant, non-caring and the so what attitude by God's children. There were more people helping that didn't belong to God's family, **FORMALLY**, than those self proclaimed Christians, **PATHETIC!**

God was not looking for food or money from churches, just support and what ever the Spirit led them to do. I do not guess the Spirit, the Holy Spirit, is alive in their church!

If only one can of food came in, I gave thanks to my God for the one can we did not have when we started. I praise God for the food that did come in and the children that brought it!!!! **PRAISE GOD AND BLESS THEM ALL!!!**

Every business in town was also given letters of the food drive and assistance was asked for, through donations. Out of eighteen businesses, donations were given by **ONE** business. Also, **PATHETIC!** Where are the morals and support of God's children and creations? Sorry to say, this is what was expected! Love one another; God's second greatest commandment is no longer present in -----, -----! -----, like other towns and people, are so caught up in their own pity and poor me and egotistical attitudes, that God will have to wear glasses, **MAGNIFYING GLASSES**, to see what goes on here. His love is not openly present and manifested here, I'm sure it is somewhere, but is ashamed to show its face in -----.

From businesses and churches, I have been lied to, led to believe and even told things were going to be done; **BUT**, John 8:44 says *"Ye are of your father the devil, and the lusts of your father ye will do. He was murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."* In Exodus 20:16, God says, *"Thou shalt not bear false witness against thy neighbor."* Thou shalt not **LIE!** *"He that saith, I know Him, and keepeth not His commandment is a liar, and the truth is not in him."* 1 John 2:4. Where are God's people?

I praise God for the lady that bought and brought 72 boxes of macaroni and cheese; I praise God for the lady that saw the signs and sent her children pulling a red wagon with a bag of food. I praise God for the lady that stopped and asked what was going on and went to the store and bought and brought back \$50.00 worth of groceries. She goes to a church in -----! I praise God for the man who stopped and said he had no food but offered a donation instead. I praise God for the mother and daughter who stopped and brought food and a donation. I praise God for the man and two ladies who brought two boxes of pasta, I've no idea where they came from. I praise God for the kids at the Middle School and the High School for collecting can goods and giving them to God's work. I even thank God for the man who told me, I was doing wrong by putting up a sign, at least he read the sign. I praise God for the Pastor and his wife who brought food and also a donation. I praise God for the couple who listened to God a week earlier and put a donation in the offering box at church. I praise God for the laborers and support that was there. Thank you Lord for all Your blessings

and I ask Your blessings on those that helped, gave food and or donations and for their prayers!!!

**WAKE UP**, wake up and see the glory of God. Wake up churches, wake up -----, wake up businesses and find out the love of **JESUS CHRIST** and what He has for you!

God made a way to feed His people in spite of Satan's sabotage ideas and lies! **PRAISE GOD!!!** God is good, God is great, God is just, God is real and God is today! **FIND HIM, HE IS NOT LOST --- YOU ARE! FIND HIM TODAY!**

P.S. What does God and His scriptures say about apathy?
