*“And we are His witnesses of these things; and so is also the Holy Ghost, whom  
God hath given to them that obey Him.”*  
Acts of the Apostles 5:32

Publication L2-014

***The Songs Of Song Birds***

This beautiful morning under the cloudless full moon lit night, dark sky turning slowly into a multi-shade blue as the sun comes up from below the horizon. Just seeing Your choice for my life and Your choice for my being and where You want me, makes me at awe in Your presence, knowing that You put all of this here for me! Just for me, Your beauty and beautiful music to awaken me, by Your favorite musicians, the song birds. Now there is a shade of pink starting to filter through the barren, leafless trees of which I am peering through.

**LORD**, thank You for Your beauty, just not in sight or music; but, this morning, the cool crisp fresh air You give us to breathe. Lord Father, Your creation is out of this world, literally, because You took control right now, because Satan, the lord of this world would not make such beautiful things for me. I don't belong to him anymore and even if I did, he still would not make anything beautiful.

Father, we are out numbered, man, even by birds in praise to You, singing to You and lifting You up! No wonder You know when the least little sparrow falls, he is one of Yours, singing praises to Your Holy Name!!! **GLORY TO GOD!** When is man going to learn? All we have to do is take lessons from one of Your creation, Your song birds. Listen mankind, slow down, **NO STOP!** Listen to God's little birds singing their new song, it is new to us anyway, to God the Father, God the Son and God the Holy Spirit! What a marvelous sound, a rare sound to most of mankind; but to me, a gloriously remarkable reminder that if birds sing praises to God and if mankind, as to the direction they are taking do not, then it is going to be a bad day when God calls up **ROCKS** to sing praises to Him.

Lord Jesus, mankind appears to be going no where in Your Kingdom as they were in days past when man began to multiply, that the sons of God, some of Your angels, saw the beauty and fairness of Your creation through the daughters of man and took them wives. You were frustrated then with them as You are frustrated now with us. You said to mankind then, “... *My Spirit shall not always strive with man, ...*” Genesis 6:3. “*And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts his heart was only evil continually.*” Genesis 6:5. Then, **THE FLOOD**. Noah, the eight in his family, were the only survivors of possibly up to 10 million people. Do you want God, now, to call up **rocks** to praise Him?

God wants love, the same kind of love in return, He gives us. When man won't return God's love, and seeks his own pleasures and means of destruction, then God becomes very jealous and will help man find his destruction, He just turns you over to Satan for a while. As God's love is eternal and even forever, He wishes us to love Him and have this love, His eternal love, for an eternity with Him.

But the song birds become less and less audible because of man's noise and hell bent self destructive ways. O Lord, bring back Your song birds to all their beautiful songs to my ears! Noises, noises, progress, progress, **STOP**, listen to God speak, you are drowning out His words, you are turning **rocks** into a practicing choir getting ready for their first performance! Their debut! Their first number, their first song, “*Where Did All the Men Go?*”, will be a great hit with Satan. He is the instigator of man's want more, want more, work harder, work harder, spend more, spend more, you can make it on your own, you do not need God anymore in your life! “*Where Did All the Men Go?*”.

**SONG BIRDS, COME BACK!!!** The day grows older, the song birds which are barely audible now, are being drowned out by all of man's commotions and doings. *Shhhh!* Can you hear them through all the noise? They are still singing their beautiful songs. Which one is singing to you, today? Are you hearing the song of salvation, song of direction, song of healing, song of joy or the song of eternal bliss? You know, your life is in God's hands, are you listening, are you too busy to slow down or even stop a while, and hear what He has for you? Which little beautiful song bird do you

hear, sparrow, cardinal, mocking bird or the Holy Spirit? Do you know that without the Holy Spirit in your life you do not have a prayer to heaven. Are you out of control of yourself? Under His conviction power, to come to Jesus, the only way to heaven, you will not and you can not, without Him, come to Jesus. Listen to all the song birds singing God's songs and **STOP THIS WORLD**, you want to get off!!! **GLORY TO GOD!!!** These are heavenly creatures, as you are made, by a caring, loving, loving, loving Creator, made for heaven!

The longest stay in heaven so far as I can tell by a person from the Bible, is Enoch. Around 3700BC, Enoch did something right in God's eyes and started serving God and walking with Him. *"And Enoch lived sixty and five years, and begat Methuselah: and Enoch walked with God after he begat Methuselah three hundred years, and begat sons and daughters, and all the days of Enoch were three hundred sixty and five years: and Enoch walked with God: and he was not, for God took him."* Genesis 5:21-24. He was not what? He was not **dead**, God took him!!! Enoch now has been with God 5700 years, give or take a year or two. At age sixty-five, something changed Enoch's life, was it Methuselah or something else? What ever it was it changed Enoch's life for an eternity. Or did he finally slow down long enough or stop and start hearing and listening to God's song birds? Your life can be changed as Enoch's and have an eternity to hear these beautiful little creatures!

I also do not want you to forget about God's will. Remember Noah and his family, they had all of God's song birds with them at one time, a journey in the Ark. What beautiful music they were serenaded with every day. Noah and his wife and three sons and their wives, out of possibly 10 million people, **THEY** were the **ONLY 8** people that walked with God and listened to His song birds. For 1500 years, from Adam and Eve in the Bible to Noah, there were only three men who walked with God, which is written in the Bible, Abel, Enoch and Noah. This whole time, 1500 years, God found 3 men, the time is **now**, **the time is now** to listen to God's own words for you!!!! Today is today to hear the song birds. Mid-afternoon, as the day grows shorter, hearing the song birds become less and less. Don't let the day end without you hearing God's song birds and God! Promise me, you will call My name, God says, I want to be your song bird for the upcoming

eternity, the one right around the corner, right around the next sunset. I want to be your next morning's **SON**rise, God says.

*“But as the days of Noe were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying, and living in marriage, until the day that Noe entered into the ark, and knew not until the flood came, and took them away; so shall also the coming of the Son of man be.”* Matthew 24:37-39.

Don't wait until it is too late as were in Noah's day, hear the Lord Jesus call you! You can hear Him all day, as you hear His songs birds all day, if you want to listen to them! **ALL RISE NOW**, follow Jesus, follow Abel, Noah and Enoch to heaven! Remember, your **SON**rise is there for you to hear as God's little song birds. They are so beautiful, He is so beautiful. Do not let the sun set again without asking for the **SON**rise in your eternal home! With a pure heart and love for one another and believing in Jesus and God's Creations, how long will you be walking with God, as long as Enoch's 5700 years? **YOU KNOW IT!!!** 5700 years plus forever.

Ask the Lord Father into your heart; now, before the sunset in man's life, before it is too late! Be joined with the Son and rise up toward your eternal home. All you have to do is have this pure heart and the love for one another and believe in God, the Son, the Holy Spirit and confess your sins. Believe that these song birds were created for your pleasure as you were created for God's pleasure. Upon faith do we build our relationship with God and by your faith we please Him. Seek Him, Father, forgive me of my sins, I'm a sinner, I repent of my sins, believing in Jesus, Your Son, the Son of God, who was crucified for my sins and was resurrected on the third day. He died for my sins and was resurrected to defeat hell and the grave for me. Father, forgive me, please!!!
