Who Do Your Kids Mimic?

Watching a movie about World War II the other night, there was a scene with children playing and eating as their parents were laughing and joking over dinner with guest. These children were German children and their father was the commandant of Auschwitz, the German's Jewish genocidal prison camp. During all the atrocities and horrible things which were being done all around them, they were still playing and laughing, and not paying it any mind. They were raised doing this and it was just normal to watch men, women, children and grandparents going in alive, unsuspecting, and coming out dead and stiff, and the kids were imitating parts of it in their play time!

What do our children learn??? Not just these German children, children **EVERYWHERE???** They learn what they see, watch, hear and the atmosphere in which they are raised. If you don't believe this, just look real hard and good around you!

If you can't see it, read about it in the Old Testament of the Bible in Kings and Chronicles. Even the Kings of Israel, the Jews, God's chosen people, their children, when raised in idol worship, adultery, sin, and such followed their parents lead or there surroundings. Of the 19 Kings of the northern kingdom of Israel in the King's period and time, no good Kings whatsoever for their children to emulate. One King didn't last a week in reign on the throne, 1 Kings 16:8-20. Even in the southern kingdom, the 19 Kings which reigned over it also, which is the lineage of David and Jesus, there only **8** good kings. One of the good kings, King Hezekiah, who was dying without an heir, prayed to God and God extended his life for 15 more years so to have an heir. His son, was a good king, **NO**, King Manasseh was a very wicked king, following and bringing back idolatry to the children of Israel; even though his dad was a good King, but he had seen and been around evil things and Satan grabbed hold of him. 2 Kings 21:1-16.

Can our children of today and parents of our children and grandparents of our children's children change from their wicked ways and live a life themselves that will change what our kids see and mimic? Can man be delivered from the bondages of Satan's drugs, alcohol, laziness, diseases of the mind and sin? **WHY YES, HE CAN!!!** Even King Manasseh, this wicked King, repented of his sins and his good kingdom reign was restored and he **REMOVED ALL the idols and altars** which he built in Judah.

In 3 years of the Lord God giving King Hezekiah the additional 15 years of life, Manasseh was born and King Manasseh took control of his kingdom at 12 years of age, a child himself. Even our children can change, by themselves, they are not lost souls forever, as King Manasseh repented of his sins and changed, 2 Chronicles 33. **GOD IS STILL GREATER THAN SATAN.** Bondages, even those of Kings, children, mothers, fathers and grandparents can be broken as King Manasseh's. **REPENT, REPENT, REPENT!!!** See the **GLORY** of God. It is not too late, even for you, grandma!

Today, our children see the bondages of slothfulness, laziness, etc.; relying on the Government's welfare checks, food stamps and or hand outs from their mothers or fathers, seldom anymore from both parents unless the system is used as it is supposed to be used for, collecting every month just enough to live on, in filth and deceit because they are not getting enough to support their drinking habits, lotto and gambling habits, bingo habits, drug habits, smoking habits, TV habits or sleep habits. **BONDAGES!!!!?** Even though they are receiving all of this free from an over taxed work force now, they still gripe, complain and blame someone else for their **'hard or bad luck'!!!** Their luck is the wrath of God from God taking away from what they do have already, due to non-belief and not seeking God, ***"For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath."*** Matthew 13:12. Do you ever wonder why these things happen to you, or to **someone** else around you? Go, go seek the Kingdom of God with all sincerity and truthfulness and learn of Him! The welfare and food stamp systems were designed for temporary help, not a livelihood. I know families

and you might be one of them now, who have continuously drawn food stamps and or welfare for years and years. What happened to self pride if nothing else??? If a person doesn't feel good about himself, why would anyone else feel good for you!? In some cases, slothfulness, some cases self pity, in some cases they are just lazy, and in most cases just down right lieing about this and that to get more of what they haven't earned. This is stealing, cheating, idolatry and many more sins that God will not look favorably on and bless you. Just the opposite, **HE WILL TAKE AWAY!** Why do the same people, same families, always appear to be taking one step forward and then two steps back? Well, they are not dancing; nor, or they praying!

A remedy, a solution, or a bondage breaker from Satan's hold is to call upon the name of the Lord, as it states so plainly in 2 Chronicles 7:14, ***“If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.”*** Are you called by His name, are you called a Christian? Just because you were born in the United States and your mama, daddy, or grandma or grandpa was a Christian or is a Christian, one who obeys God's commandments and statutes and lives the life as Christ lives, as close as possible, does not make you a Christian! How are you living? Are you where God wants you to be? Are you working toward that? Do you even know who God really is? I mean really! If you haven't come to the Lord since your last sin, and ask for repentance of them, then you are in danger of not being called by His name and being ready for the Kingdom of Heaven when it comes for us. How is God going to hear you and hear from heaven and forgive your sins and heal your land? Are you tired of this, your life style you chose, and want things better? Are you tired of all these questions? Then, come to the Lord Jesus with repentance in your heart and salvation on your tongue!

Now, grandparents, parents and or guardians, just who has control of your children? Does Satan have control, your kids have no control, or are you letting your kids control you? **IT IS TIME TO TAKE CONTROL OF YOUR KIDS**, in what they watch, see, hear, copy, pattern themselves after, MTV, hard rock music, drugs, alcohol and maybe watching you possibly, are all the wrong things and ways!!! ***“Train up a***

child in the way he should go: and when he is old, he will not depart from it.” Proverbs 22:6. Just look at King Manasseh!

Poppa, grandmamma, daddy, momma, whoever you are --- get your kids and take them out of the TV, radio, filth, books, sins, that they are in and **TAKE, I SAY AGAIN, TAKE** them to church. Both you and your kids grow up, grow up in the ways of the Lord together. **PLEASE, BEFORE IT IS TOO LATE!!!** There are not any more excuses to use, I used them all! Write me and I'll tell you about it.

Not even acts of nature will bring bad luck upon you. Don't you know, that God allows the weather to be as it is? Satan controlled, but allowed by God. Everything that happens to you, good or bad, is directly attributed to you and your relationship with God and the trials He puts upon you for you to grow in strength and wisdom. You say, how can God allow such things as the flood, all the destruction and death and hardships? How can God, **YOU ANSWER THIS**, put up with all the sins of man, man sins against Him? Last time the floods were worldwide, not just locally, **ASK NOAH?**

It doesn't matter what kind of sin: lieing, an occasional affair, an adulteress life style, or whatever seems to be today's norm, any of His commandments not kept! It is sin against God and He has a right to punish sin, all sins! **HE IS GOD AND THAT IS THAT!!**

Mommy, daddy, what are you doing? It is sin, not to believe in God's words. It is time to learn what God says, because being ignorant of God's word is not an excuse, either!

In prayer, unceasingly
